IMPORTANT NOTE:- The Average Subsidised Price quoted above usually refers to charges for venue or equipment hire (eg. cranes, motor vehicles, earthmoving equipment, explosives services) and may have to be paid direct to the supplier rather than to AITAC. These are not training costs, as this component is covered by the government training subsidy. There may also be charges (<\$100) for Government Licence fees.

Wherever possible we arrange with suppliers to cap the costs associated with use of specialised equipment.
